Sparkling Christmas Highlights: Sparkle Metallic pencils

The Sparkle Metallic pencil is available in three glittering new colours for Christmas this year: pine green, silver-grey and rosy-brown. The perfect instrument for everyone wishing to write personal messages to their loved ones in time for the festive period. The glittering trio belongs on every wish list and is a real highlight under the tree!

The Sparkle in hardness grade B features the typical ergonomic triangular shape and the special break-resistant lead bonding, making it both stylish and a pleasure to use.
